

Spring Native Plant Sale

A great turnout, lots of plants were purchased from all the vendors. Area gardeners were enthusiastic about planting native plants!

Fall Native Plant Sale

The Fall sale featured area vendors and talks were presented outside. Thanks to Coastal Wildscapes for this annual event which is always well attended!

Print Shop Exterior Painting

The Print Shop was repainted this past spring, including the trim and doors! It looks great!

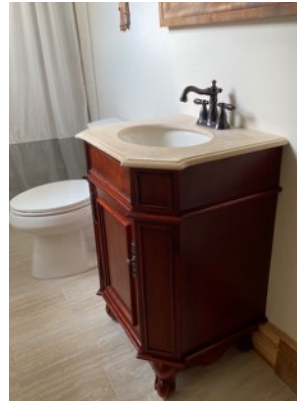

Spartan Update

Thanks to generous donors, the Spartan got a new deck and a leak-proof roof coating! In the future, it will be our resident housing.

Ladies' Library Bathroom Renovation

New tile, vanity and toilet were installed. Such an improvement!

Winter 2022

Evan Rose of Swamptooth

While the Center was shut down for all indoor events, we were able to have our Annual Fund Raiser, Bluegrass and BBQ. It was a fun event, all outside! We were also able to host Coastal Wildscapes Native Plant Sales, and have some Open Studio activity at the Press. The Center was open for tours to small groups of vaccinated and masked visitors.

We have events on the calendar for 2022 and are hopeful Covid will allow them to be presented! Stay tuned as these events could change.

January is renew your membership month. Thanks for your support through these trying times, we couldn't do it without you!

The Ashantilly Press

Although all Classes and workshops have been placed on hold until we feel safe in groups again, several Open Studios were held. The presses are in operation, restocking cards, coasters and Broadsides for sale.

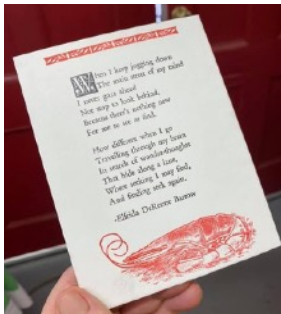

Open Studios: Mother's Day and Holiday Edition

The studio was open for guests! Two cards were set at each session for participants to print. Great turnout and lots of fun!

SRKissler: The Summer of Movable Type

Sarah and Rosemary spent the summer traveling to print shops across the country. We were pleased to host them at Ashantilly! They chose type and cuts in each shop to print a postcard at every stop!

Artist Residency

After having canceled our 2020 and 2021 residencies, we are now accepting applications for 2022. Let us know if you would like to be a sponsor for this

New Native Garden Grant

Ashantilly received a grant from Savannah Presbytery M.K. Pentecost Ecology Fund to establish a Native Garden north of the Ladies' Library. After delays due to materials supply and Covid-infected workers, Phase 1 of the project is finally completed! Plants will go in this Spring. Phase 2 will install a water feature, urns, and an additional pathway. We are actively seeking donors who would like to be a part of this project.

Area before work began.

Walkway's brick edging going in.
